

HELP RAISE MONEY FOR CAPITAL CITY PCS!

Capital City participates in several rewards programs with stores where you can help earn cash for the school - simply by making your usual purchases!

Go to smile.amazon.com, login with your normal Amazon account and select **Capital City PCS** as the charitable organization that you want to support. Amazon will remember this selection on your account and each eligible future purchase that you make through smile.amazon.com will result in a 0.5% donation to Capital City. (Just remember to change your bookmarks to smile.amazon.com as you need to go through this link for your Amazon purchases to count for donations.)

The "Box Tops for Education" program is easy like 1,2,3: Whenever you buy a Box Top product, cut out the Box Top coupon from the package and submit the clippings to the Front Desk staff. Capital City gets 10¢ for each collected Box Top coupon. See the list of Box Top products here: <http://www.boxtops4education.com/participating-products>

Capital City is part of Harris Teeter's "Together In Education" program. All you need to do is to link your VIC card to Capital City by giving the Harris Teeter cashier our code: **7091**, and you will help to raise funds for the school with every trip to Harris Teeter. NOTE: you have to re-link your card to Capital City at the beginning of each new school year.

From October 6, 2017 through March 15, 2018, Capital City can earn cash through Giant's "A+ School Rewards Program." You have to link your Giant Card to our school (ID 03838) by logging on to www.giantfood.com/aplus OR call the A+ Hotline at 1-877-275-2758 for assistance. If you registered your card last year, there is no need to re-register. Once your card is designated to Capital City as the school that you want to support, each shopping trip at Giant will result in cash for our school

Do you have a REDcard from Target? Capital City participates in the "Take Charge of Education" program. Visit www.target.com/tcoe and designate Capital City as the school that you want to support. Afterwards, 1% of the price of eligible purchases made at Target and Target.com will be donated to Capital City.

Please encourage your friends and relatives to designate Capital City in these rewards programs. It can add up to significant funds for our school!

Contact info@ccpcs.org with any questions you might have.
